

# PALLACONIAN JUVENILE RENEGADE FIB BUSTERS

Peter Adamis Abalinx 1 January 2017

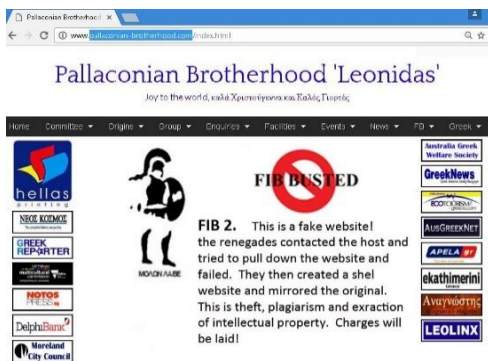

Over the past three months so many fibs have been written that it boggles the mind. And for what, so that a group of renegades can take over a Brotherhood because they are afraid to lose control. Creative and innovative myths, fibs and fiction has grown to grotesque proportions over the past three months.

Those responsible should be hanging their heads in shame for their slanderous and defamatory comments and images. They should grow up and learn that life is not always as they see it or have been told. The following are but some of the myths that have been created in order to cover the truth from an unsuspecting Brotherhood and the public.

**FIB 1 BUSTED.** This an image of the message sent to Steve Tsaganas the so-called Youth dance Liaison coordinator who was responsible to advise the parents and students of dance that the dance classes had been cancelled. Steve Tsaganas in his wisdom failed and subsequently there were angry scenes with accusations being hurled against one another as who was to blame.

The public had forgotten that the salaries of the dance instructors was being paid by the Brotherhood and that all dance lessons were free.

**FIB 2 BUSTED.** This is an image of the fake website being displayed representing the Brotherhood. They have no legal standing as all the information, data, plugins and material were purchased by Peter Adamis using his own funds.

The legitimate website was created while Peter Adamis was in hospital being treated for cancer. Peter Adamis is seeking damages to his reputation and compensation for use of the plugins that he had purchased. Legal proceeding are expected to follow.

**FIB 3 BUSTED.** In 2010 after Resolutions had been passed by members it was Chris Paikopoulos who President and was responsible for submitting the changes to Consumer Affairs and failed to do so. Kon Glekas was overseas at the time and was not available.

Had Chris Paikopoulos submitted the changes to the Constitution all of the problems would not have occurred. However Chris Paikopoulos used the Resolution to his advantage whilst he was President. Now he wanted to change matters.

**FIB 4 BUSTED.** It is not true that elections were legally called for by the Committee of Supervision because their role was over once they had opened up the Ballot on Monday 10 October 2016. The truth be known, the Committee of Supervision broke the law by destroying the original nominations and their decision was flawed according to the Constitution.

They should have made public the names and awaited for any objections. Furthermore there were no objections to the nominations that were in the ballot box on the day of the Annual General Meeting. This an important fact overlooked by many.

**FIB 5 BUSTED.** There is no truth whatsoever of Peter Adamis seeking a second term like his predecessor Chris Paikopoulos who wanted to remain after six years in the role. Peter Adamis promised achieved what he promised and stepped aside for the new President.

Peter Adamis had asked in 2015 for members to consider future Committee of Management tenures be increased after he had stepped down. This motion was not allowed by Chris Paikopoulos who closed the meeting illegally and against the wishes of the Brotherhood at the 2016 Annual General Meeting. Whoever was responsible for this imaged should be ashamed of themselves?

**FIB 6 BUSTED.** There is no truth to twisted and bitter lies regarding Peter Adamis and the Oakleigh Greek Orthodox Community. It is on public record that Peter Adamis went on work cover after being assaulted, threatened, abused, death threats, tyres slashed, bullied and psychologically undermined in his role as the Business and Public Relations Manager. To state otherwise is a travesty of justice and those responsible should be disgusted.

With regards to falling over at the Pallaconian Brotherhood, it was if it is to be know the third fall Peter Adamis had that day and it had something to do with his recovery from cancer. Those twisting and manipulating the facts should hang their faces in shame and don't ever consider returning to the Brotherhood the cowards they are. Go online and download the legal judgements against the Oakleigh Greek Orthodox Community and learn the truth, not the rubbish and slander.

**FIB 7 BUSTED.** After observing and monitoring Youtube videos attacking individuals personally, the videos were reported to Youtube. Three days later it appears that the inappropriate Youtube videos were removed. However sufficient detail was captured and the videos downloaded for evidence.

The videos were appalling in taste, commentary and the imagery was inappropriate. These videos along with other documented electronic formats have been catalogued accordingly. Legal advice on how they can be used will be a subject of further discussion.

**FIB 8 BUSTED.** There are no life members at all. Unfortunately the resolutions passed at the previous Annual general meetings were not followed through and submitted to Consumer Affairs. The Brotherhood members have been lied to consistently. In 2010 when they were passed, Chris Paikopoulos to tell the truth was responsible to submit them to Current affairs but due to incompetence on his part failed to do so. Kon Glekas at the time was overseas.

Revulsion and disgust are two words that come to mind regarding these individuals who have deliberately misled others over the years but the truth of the matter is that there are no life members according to the Constitution. This means those of the renegades who are of the belief that they are financial members are in for a shock at being misled all those years. It is a lie that Peter Adamis was trying to remove Life Members and those gossipers and "Roufiani" should go and hide themselves. In shame.

**FIB 9 BUSTED.** There is not one skirret of truth that Peter Adamis wanted to close the Dance Group. Far from it as he was their best supporter through thick and thin. He had plans created to ensure that the dance group had a place of their own, away from the adults and other members of the Brotherhood. Unfortunately events have overtaken those plans and they are now no longer in the picture.

Peter Adamis enjoyed watching the youth Dance and would often when health allowed him attended there performances. Unfortunately it now appears that these same Dance Group have taken it upon themselves to take control from their betters the Brotherhood by force. Peter Adamis has lost all respect for the Dance group and their behind the scenes antics.

**POLITICS IS NO LONGER  
LEFT VS RIGHT**

**IT'S BUSTED  
TRUTH VS  
PROPAGANDA**

**FIB 10 BUSTED.** Peter Adamis was involved with the Liberal party for 26 years, but has stepped down from all of his roles and positions to concentrate on his health. Peter Adamis has friends with all political parties and is on good terms with them. Peter Adamis had telephone discussions with peter Khalil, Maria Vamvakinou and Lambrinos Tapinos regarding this matter. They all are aware that Peter was not involving the Brotherhood with politics, unlike some others who will remain nameless.

As for the Federal election where Peter Adamis was the Scullin Campaign Manager, a job he did not want because he was in his recovery mode from cancer, did so to assist the Melanie Stockman. The Scullin Report is public knowledge and can be visited by going to url:

<http://abalinx.com/blog/2016/07/15/social-media-and-politics/and>

Download the Scullin Post Election report. Those responsible for the hate, bitter, twisted, misrepresentation, slanderous and untruths should disappear quietly in shame.

As always, apologies to purists for my poor grammar and savagery of the English language. I wish you all well and hope that this article does not cause ambiguity in the minds of those who read it.

Peter Adamis is a Journalist/Social Media Commentator and writer. He is a retired Australian military serviceman and an Industry organisational & Occupational (OHS) & Training Consultant whose interests are within the parameters of domestic and international political spectrum. He is an avid blogger and contributes to domestic and international community news media outlets as well as to local and Ethnic News.
