

# MYTHS FIBS LIES FABLES & FICTION

Peter Adamis Abalinx 31 December 2016

High up in the Mountains of the Polis of Moreland lies the Pallaconian Brotherhood Leonidas citadel. Built over the years by many hands and with the hope that it will remain untouched by the ungodly hands of renegades and thieves hiding behind invisible cloaks. Although the citadel has successfully defended itself against these marauding renegades, the battles are from over. Now it appears that they are making personal assaults on individuals after having failed to win the people over by their lies and misinterpretation of the truth.

Let the truth be known that over the festive season, those living amongst the heavens high up in lofty Mount Brunswick, began amusing themselves with the myths, fibs and lies carried out below them by the renegade group of juveniles. At first their silly little antics became a sideshow until they began a campaign of personal attacks, harassment, intimidation, bullying online and stalking. Time to take action had arrived and "Hermes" was sent on his way.

One must confess that the renegade juveniles and their motley crew of supporters are innovative and creative, making use of technology. But unfortunately it is just not good enough. Despite most of the trash was allowed to go through to the keeper, material was patiently being collected with due diligence and filed away for future action. The information being collected and catalogued is to be used against them to demonstrate that they cannot get away with slander and defamation that has its foundations in hate, malice and bitterness. So much can be said and written, but in the end there is only one Committee of Management and that committee is led by none other than the President Kon Glekas, not the hybrid crew of juvenile renegades.

**This article has been written to say enough is enough and to demonstrate that hostile acts against a peaceful community and personal attacks on individuals does not work.** It is written without malice and based on the evidence already gathered to date. These juvenile renegades have become a joke within the Australian Greek community. Their abusive and intimidating tactics and subtle use of clever technologies to get their message across has not won them any friends. In short, they have failed miserably. They are laughed at behind their backs by their own peers and colleagues and have become persona non grata within the Australian Hellenic community. **They should not attack individuals and not expect some form of retaliation. Life is not that simple.**

Now they have the gall to ask for mediation through the Department of Justice to act as mediators. It was respectfully refused on the grounds that previous attempts by Peter Adamis and Kon Glekas had been refused. Furthermore it is even more laughable asking for mediation, when in 2010 Chris Paikopoulos refused mediation by Consumers Affairs to act as mediators between himself and that of Nick Patsios and Chris Kalavitrinos. Talk about double standards. Many in the Brotherhood are of the belief that the juvenile renegades are intelligent morons, lacking mental and emotional maturity to make logical decisions let alone try and manage a Brotherhood.

**JUVENILE RENEGADE ERRORS OF JUDGEMENT.** Let us be clear of two things that changed the course of history and splintered the Pallaconian Brotherhood. Let us assume that the renegades followed the Constitution. Why is it that two major errors of judgement on their part are not taken into account and investigated. The reason that these errors of judgement are not being given the green light is because it embarrasses the Renegades themselves and exposes them once and for all that they are at fault. These two errors of judgement go to the heart of all the problems that have occurred since. Those two errors of judgement need to be looked at in minute detail and examined thoroughly. For those who believe in justice and fair play, they are as follows:

**Sunday 9 October 2016.** Chris Paikopoulos, the presiding President at the Annual General Meeting made blunders by:

- a. Not allowing the Ballot Box to be opened as voted by a majority of members.
- b. Not finalising the Committee of Supervision after three members had withdrawn.
- c. Closing the Annual General meeting without any of the motions being heard.

**Monday 10 October 2016.** The Committee of Supervision made a series of blunders.

- a. It opened the Ballot box but did not make known the nominations to the public.
- b. It destroyed the nominations and thus broke the law.
- c. Did not step down having found sufficient nominations to form a Committee.

## **JUVENILE RENEGADES FACT SHEET**

GEORGE FOUNTAS, MARY TSAGANAS, PETER THIVEOS, ISMENE THIVEOS, DIMITRI PAIKOPOULOS, NIKOLAOS ALIKAKOS, EVANGELOS THIVEOS, CHRIS PAIKOPOULOS, STEVE AXIOTIS, JOHN SOVOLOS, JOHN STAMOGIANNIS, ALEXIA KANELAKOS, JOHN MASTROGIANAKOS, STEVE TSAGANAS, ANDONI PIKOLAS, PANOS PRIFTAKIS, GRIGORI PRIFTAKIS, GEORGE KOUTANAS, STACEY KANELAKOS, CHRIS SOVOLOS AND THEIR NON LAKONIAN SUPPORTERS PAUL SOUGLERIS AND JIM GRIVAS (ALIAS GRIVOKOSTOPOULOS) & ALLEGEDLY THOMAS ILIOPOULOS ENLISTED.

**AUSSIE GREEK RENEGADE JUVENILES.** The renegade juveniles are a motley bunch of village idiots that have become bitter and twisted in their attempts to seize the reins of management of the Pallaconian Brotherhood Leonidas located in Albert Street Brunswick. When they failed to seize by force the assets, including the Brotherhood seal, the buildings, the records, the finances, the Consumer Affairs delegate, the website and the members, they resorted to gutter tactics and targeted individuals on a personal basis. One good example is the theft of the keys on Thursday 29 December 2016 and then hours later an attempted breaking being thwarted by the cook who was preparing the New Year's Eve meals. Another example is the Youtube videos where the renegades went overboard with their appalling and disgusting behaviour, contravening expected community moral standards.

**ERROR!** + **ERROR!** = **CHAOS** = **FIB BUSTED** = **LOSERS**

They can write, say, do and demonstrate whatever they want, but in the end they will pay for their actions. Silly little people with such small minds that will never develop beyond that of three year olds. (Apologies to three year olds throughout the word). To assist them in their endeavours they brought in the assistance of many wannabees and canneverbees; compromising of political activists, non Lakonians, Wannabe Nobodies, Creative designers, IT specialists, Wannabe politicians, Wannabe Lawyers, attempted to sway political representatives, attacked members of the Brotherhood by the manipulation of health, political, community, legal and military records and mixing fact with myths fiction, fibs and lies.

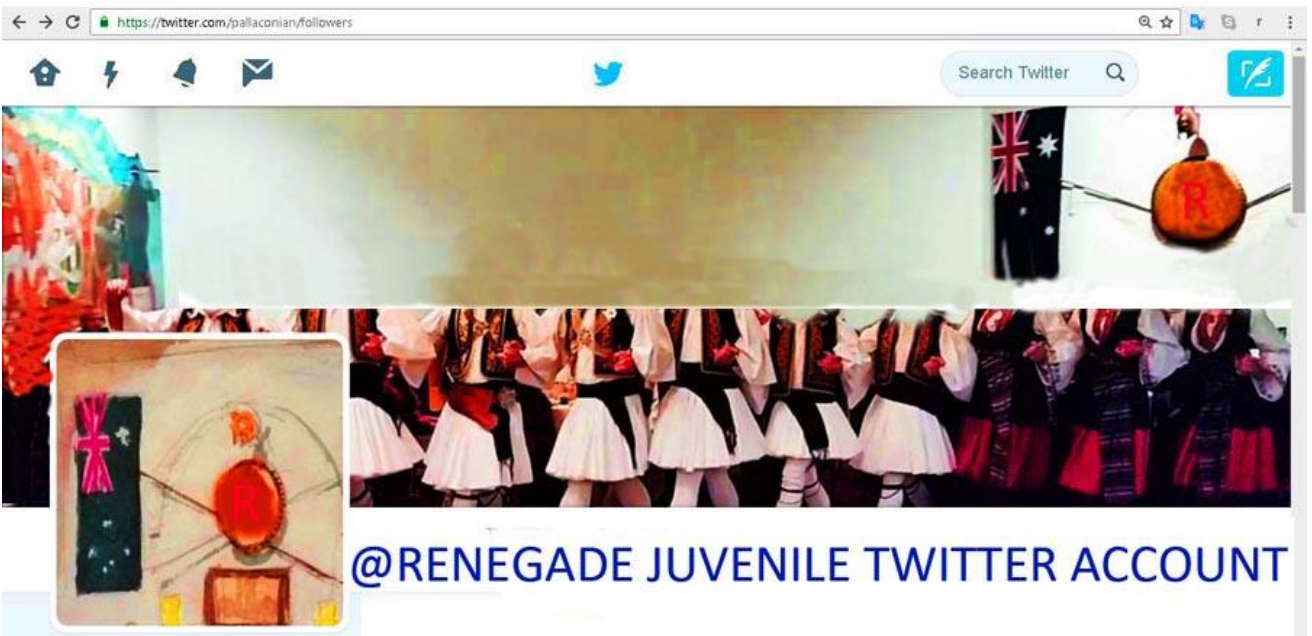

As indicated above, the information has been steadily being gathered, catalogued and the identity of the originator being identified. In addition their online tactics have failed and are being exposed each and every time. "Online Sniffing tools" designed and created specifically for the identification of these individuals makes it so much easier for identification and subsequently being processed for legal action.

Damage to property, intellectual theft, intimidation, threats, bullying, stalking and abuse are the tools of the Renegade juveniles.

Charges such as stalking, plagiarism, theft of property, theft of intellectual property, damage to property, inappropriate behaviour, bullying, intimidation and veiled threats are some the legal action being considered against the renegades.

Discussions with Police prosecutors and legal advice has indicated that when a conglomeration of material evidence is accumulated and a number of individuals have been identified, action can be taken. These renegades are not any super heroes nor the shining knights of old or even Spartans of renown but little bitter twisted morons who cannot see that that path they have taken will only lead to their destruction metaphorically speaking.

# COMMITTEE OF MANAGEMENT FACT SHEET

## KON GLEKAS - PRESIDENT.

Kon Glekas has outsmarted outwitted out manoeuvred each and every one mentioned above. They have had a play to play in the tragic Australian Greek drama that the public is wondering what is driving the hate and malice of these renegades. Is it because the President Kon Glekas and his supporters have out foxed them, outwitted them, underestimating his intelligence and leadership.

Certainly Kon Glekas the President has demonstrated great skill in diplomacy, political tactics, patience and great leadership in a non-hostile manner that has endeared the elderly to his point of view. The level of malice, hate, mobile text messages, and inappropriate online material is just unbelievable and yet Kon Glekas takes everything in his stride becoming stronger with each challenge. Kon Glekas has demonstrated courage, resilience and unbelievable patience against the onslaught of negative actions.

He has gathered a very good team around him of which the majority are young, eager and enthusiastic to get on with the management of the Brotherhood. Kon Glekas holds no personal grudges against the renegades and their unorthodox tactics of personal attacks, unwarranted behaviour and misplaced loyalties, but has quietly gone about managing the affairs of the Brotherhood. The renegade juveniles should take a leaf out his book, grow up and follow suite.

## COMMITTEE MEMBERS.

The Committee of Management had submitted their nominations in good faith and never did they expect the backlash that was level at them by the small group of renegades. They submitted their nominations as they had done in the past (2014) and could not understand what the fuss was all about. Any errors were corrected and the Committee of Management took office one week after the Annual General meeting. Many lessons of governance, procedures, practices and administrations were learnt in a very short period of time.

They have worked extremely well together as a team and they should be congratulated for being united and doing whatever it took to ensure that the services to the Brotherhood were not stopped or barriers put in place. Despite the resignation and the absence of the Dance teaching classes, the Committee of Management DID not stop or close the dance student's classes.

The Committee of Management is looking forward to the year 2017 where they will be implementing new and innovative ideas, concepts and sporting events. Over 200 new members have been recruited, swelling the ranks of the Brotherhood with new blood and seeing the return of old faces that once were lost due to disagreements. It is also pleasing to note that the Committee of Management have been instrumental in reconciling old friends, thus creating a united front against the treacherous juvenile renegades. The Committee of Management have been quietly working to diffuse volatile situations whilst the renegades continued with their fibs, myths, fiction and lies. These juvenile renegades have lost the plot.

## THE FUTURE.

Whatever the outcome, whatever the result, the Pallaconian Brotherhood will survive, come what may. Life is what it is and one wonders whether the alleged civil war has been worth the trouble.

What must be done is that at the next Annual General Meeting, pass the changes to the constitution and then submit those changes to the Consumer Affairs, otherwise in 2018 the Brotherhood will be embroiled in another Civil war which may not be reconcilable.

The matter of opening the ballot box on the day of the Annual General Meeting, the submission of nominations to the Brotherhood Secretary, the \$20.00 nomination fee and above all the subject of Life members must be resolved once and for all. On reflection it appears that Nick Patsios and Jim Batsakis were correct all along and Chris Paikopoulos has been in the wrong.

As always, apologies to purists for my poor grammar and savagery of the English language. I wish you all well and hope that this article does not cause ambiguity in the minds of those who read it. Remember that there is no malice intended other than allow the evidence to speak for itself. On a personal note I have had enough of the gutter tactics by a small group of recalcitrant wannabee somebodies who so far have only demonstrated juvenile and delinquent characteristics. Hardly the people we want in the Brotherhood. I will take whatever action is deemed necessary to safe guard my interests, those of my family and friends. No one is above the law.

# PALLACONIAN JUVENILE RENEGADE FIB BUSTERS

Peter Adamis Abalinx 1 January 2017

Over the past three months so many fibs have been written that it boggles the mind. And for what, so that a group of renegades can take over a Brotherhood because they are afraid to lose control. Creative and innovative myths, fibs and fiction has grown to grotesque proportions over the past three months.

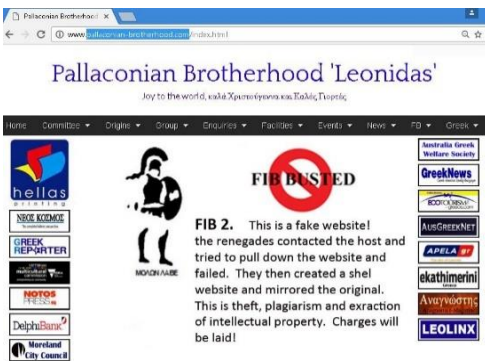

Those responsible should be hanging their heads in shame for their slanderous and defamatory comments and images. They should grow up and learn that life is not always as they see it or have been told. The following are but some of the myths that have been created in order to cover the truth from an unsuspecting Brotherhood and the public.

**FIB 1 BUSTED.** This an image of the message sent to Steve Tsaganas the so-called Youth dance Liaison coordinator who was responsible to advise the parents and students of dance that the dance classes had been cancelled.

Steve Tsaganas in his wisdom failed and subsequently there were angry scenes with accusations being hurled against one another as who was to blame.

The public had forgotten that the salaries of the dance instructors was being paid by the Brotherhood and that all dance lessons were free.

**FIB 2 BUSTED.** This is an image of the fake website being displayed representing the Brotherhood. They have no legal standing as all the information, data, plugins and material were purchased by Peter Adamis using his own funds.

The legitimate website was created while Peter Adamis was in hospital being treated for cancer. Peter Adamis is seeking damages to his reputation and compensation for use of the plugins that he had purchased. Legal proceeding are expected to follow.

**FIB 3 BUSTED.** In 2010 after Resolutions had been passed by members it was Chris Paikopoulos who President and was responsible for submitting the changes to Consumer Affairs and failed to do so. Kon Glekas was overseas at the time and was not available.

Had Chris Paikopoulos submitted the changes to the Constitution all of the problems would not have occurred. However Chris Paikopoulos used the Resolution to his advantage whilst he was President. Now he wanted to change matters.

**FIB 4 BUSTED.** It is not true that elections were legally called for by the Committee of Supervision because their role was over once they had opened up the Ballot on Monday 10 October 2016. The truth be known, the Committee of Supervision broke the law by destroying the original nominations and their decision was flawed according to the Constitution.

They should have made public the names and awaited for any objections. Furthermore there were no objections to the nominations that were in the ballot box on the day of the Annual General Meeting. This an important fact overlooked by many.

**FIB 5 BUSTED.** There is no truth whatsoever of Peter Adamis seeking a second term like his predecessor Chris Paikopoulos who wanted to remain after six years in the role. Peter Adamis promised achieved what he promised and stepped aside for the new President.

Peter Adamis had asked in 2015 for members to consider future Committee of Management tenures be increased after he had stepped down. This motion was not allowed by Chris Paikopoulos who closed the meeting illegally and against the wishes of the Brotherhood at the 2016 Annual General Meeting. Whoever was responsible for this imaged should be ashamed of themselves?

**FIB 6 BUSTED.** There is no truth to twisted and bitter lies regarding Peter Adamis and the Oakleigh Greek Orthodox Community. It is on public record that Peter Adamis went on work cover after being assaulted, threatened, abused, death threats, tyres slashed, bullied and psychologically undermined in his role as the Business and Public Relations Manager. To state otherwise is a travesty of justice and those responsible should be disgusted.

With regards to falling over at the Pallaconian Brotherhood, it was if it is to be know the third fall Peter Adamis had that day and it had something to do with his recovery from cancer. Those twisting and manipulating the facts should hang their faces in shame and don't ever consider returning to the Brotherhood the cowards they are. Go online and download the legal judgements against the Oakleigh Greek Orthodox Community and learn the truth, not the rubbish and slander.

**FIB 7 BUSTED.** After observing and monitoring Youtube videos attacking individuals personally, the videos were reported to Youtube. Three days later it appears that the inappropriate Youtube videos were removed. However sufficient detail was captured and the videos downloaded for evidence.

The videos were appalling in taste, commentary and the imagery was inappropriate. These videos along with other documented electronic formats have been catalogued accordingly. Legal advice on how they can be used will be a subject of further discussion.

### **FIB 8 BUSTED.**

There are no life members at all. Unfortunately the resolutions passed at the previous Annual general meetings were not followed through and submitted to Consumer Affairs. The Brotherhood members have been lied to consistently. In 2010 when they were passed, Chris Paikopoulos to tell the truth was responsible to submit them to Current affairs but due to incompetence on his part failed to do so. Kon Glekas at the time was overseas.

Revulsion and disgust are two words that come to mind regarding these individuals who have deliberately misled others over the years but the truth of the matter is that there are no life members according to the Constitution. This means those of the renegades who are of the belief that they are financial members are in for a shock at being misled all those years. It is a lie that Peter Adamis was trying to remove Life Members and those gossipers and "Roufiani" should go and hide themselves. In shame.

**FIB 9 BUSTED.** There is not one skirret of truth that Peter Adamis wanted to close the Dance Group. Far from it as he was their best supporter through thick and thin. He had plans created to ensure that the dance group had a place of their own, away from the adults and other members of the Brotherhood. Unfortunately events have overtaken those plans and they are now no longer in the picture.

Peter Adamis enjoyed watching the youth Dance and would often when health allowed him attended there performances. Unfortunately it now appears that these same Dance Group have taken it upon themselves to take control from their betters the Brotherhood by force. Peter Adamis has lost all respect for the Dance group and their behind the scenes antics.

### **FIB 10 BUSTED.**

Peter Adamis was involved with the Liberal party for 26 years, but has stepped down from all of his roles and positions to concentrate on his health. Peter Adamis has friends with all political parties and is on good terms with them. Peter Adamis had telephone discussions with peter Khalil, Maria Vamvakinou and Lambrinos Tapinos regarding this matter. They all are aware that Peter was not involving the Brotherhood with politics, unlike some others who will remain nameless.

As for the Federal election where Peter Adamis was the Scullin Campaign Manager, a job he did not want because he was in his recovery mode from cancer, did so to assist the Melanie Stockman. The Scullin Report is public knowledge and can be visited by going to url:

<http://abalinx.com/blog/2016/07/15/social-media-and-politics/and>

Download the Scullin Post Election report. Those responsible for the hate, bitter, twisted, misrepresentation, slanderous and untruths should disappear quietly in shame.

**POLITICS IS NO LONGER  
LEFT VS RIGHT**

**IT'S ALL THE SAME  
TRUTH VS  
PROPAGANDA**

## ANONYMOUS FACT SHEET

**TREACHEROUS AUSSIE LAKONIAN JUVENILE ASSASSINS.** These hidden assassins and loiterers are being identified using the following means of identification. Word of mouth, personal information, electronic signatures, IP addresses, social media profiles, comments made by their friends on face book to pseudonyms. They have much to answer for their getter and personal attacks on individuals. Treacherous individuals hiding behind the masks of fake profiles are always found to be weak willed, low intelligence and lack emotional security.

**ANONYMOUS COMMENTARY.** Followed by web site comments, URLs, mobile text messages, time, place, location, restaurants, gigs, jpeg and image recognition, political associations, Google developers tools, Youtube, associations, overseas developers, relatives that gossip, school and educational lists, places of employment, hobbies, Deep web, organisations and a host of other tools readily available. They remain in the background.

**FAKE FACEBOOK PROFILES.** Fake Facebook profiles, such as Leonidas Lakones, Pallaconian Liberation Organisation, Paul Soug and an an number of other fake profiles were monitored evidence gathered and with the exception of Paul Sougleris were reported and pulled down. The number of "Likes: and "Comments" by members have also been harvested, and catalogued. Paul Sougleris & others.

**HARD CORE RENEGADES.** The renegades as a group attempted to storm the Brotherhood building by force, damaging property, abusing the Committee of Management, all fed by misinformation from three members who aspire to greatness in their own minds. Some members name are not being displayed until that evidence is overwhelming. It is a great pity that despite thousands of years of history morons have not learnt from history. The Juvenile Renegades & others.

**WEBSITE MIRRORING.** The same group of individuals who are responsible for having stolen intellectual property and plagiarised the community website. The renegades as a group have illegally mirrored the community website. Steve Axiotis, Chris Paikopoulos, Paul Sougleris and Steve Tsaganas contacted the host provider to bring down the community website. Individual using fake profiles can be located.

**YOUTUBE VIDEOS.** Clever use of technology on Youtube only goes to demonstrate the advanced stage of technology amongst the youth. It is a great pity that they could not have used their efforts at a time when they were needed. But now because they are in a minority believe that by using technology they will get their message across. Videos were reported.

**GOOGLE COMMUNITIES.** A new crop of material is also appearing on Google Communities, pouring out their filth, garbage and juvenile rubbish. One wonders whether they have a life and do they take responsibility for their actions. What examples are they setting to those within their environment? Do they feel solidarity by politicising matters when politics is not involved? Utter trash hiding behind their fake profiles thinking they are safe.

**NEWS MEDIA.** The juvenile renegades using their contacts with the news media attempted to sway the Australian Hellenic public with fibs, emotional garbage and a manipulation of the facts. Dimitri Paikopoulos another Wannabe Somebody wrote an article which was incorrect that he was laughed at by the Australian Hellenic Community. The Advertisments were paid for by George Fountas and Peter Thiveos. All their news articles were debunked. George Fountas, Peter Thiveos and others.

**POLITICAL & LEGAL.** Contacting political, council, community, legal and renegades networks was a poor decision on some members part. To believe that they would not be exposed, what silly people they are. Not one piece of information was of any relevance. The juvenile renegades could not win by a democratic process and resorted to personal attcks.

**CONTROL BY FORCE.** It was a great pity that the juvenile renegades attempting to take by force, intimidation, veiled threats, the building, community assets, its records and the abuse Committee of Management members expecting them to roll over. Now there are Police records of their behaviour which only resulted in losing the confidence of the Brotherhood.

# NAME AND SHAME JUVENILE RENEGADES

Peter Adamis 1 January 2017

Enough is enough of the negativity, slandering and defamatory statements by those who hide behind fake profiles and anonymity. After all that has occurred the past two months, it is fair to say that enough is enough and that slander and defamatory statement must stop

The renegades have lost the plot and resorting to gutter tactics which are not conducive to long term relationships and

longevity regarding reconciliation. Therefore in hindsight, had they as a group taken the mature and intelligent approach by listening to alternative advice and adhering to the principles of the Constitution, much of what has occurred to date would have been avoided.

The others involved have not been named as they are well known agitators and play games for the sake of playing games with people's lives. They are those ones to be pitied thinking that that they are safe and not vulnerable to exposure. The only reason the above have been named and shamed is because they appeared in the Neos Kosmos. George Founts and Ismene Thiveos were the other two that appeared in Neos Kosmos and had failed to carry out their responsibilities in accordance with the Constitution of the Brotherhood.

It is alleged that Chris Paikopoulos is the architect behind the renegades and should have opened up the ballot box as requested by members on the day of the Annual general Meeting. After all we are supposed to be living in a democratic society. In short the behaviour of the renegades has been scandalous, causing general public outrage by a perceived offence against morality or law. A series of scandalous liaisons or in other words they are nothing but a bunch of discreditable, disreputable, dishonourable, improper, unseemly, sordid and a waste of members time.

# JUVENILE RENEGADE LIES DEBUNKED

Peter Adamis Abalinx 31 December 2016

The following are but some of the many lies that have been created by the Juvenile Renegades in order to gain some form of sympathy to their pathetic and undemocratic forms of persuasion. Their unorthodox tactics have certainly backfired upon them.

Debunking myths, lies, fibs, untruths, misrepresentation, slander, defamation and many other forms of disgusting comments and images is a difficult task. What I find deplorable is that despite the new crop of young Australian Greeks learning from their environment and not following the paradigms of the past, I find that nothing has been achieved. I wonder whether it has been worthwhile.

Why this is so I cannot understand and yet, I am continually disappointed. There are however a few young members that are willing to listen and learn from the past in order to create a whole new environment that rests on what they know and have experienced without forgetting the lessons of the past. There is hope yet!

## THE TRUTH

## RENEGADE LIES

The Committee of Management in accordance with the Constitution corrected any anomalies, by advising members via Neos Kosmos, TA NEA, Radio 3 XY and by letters of correction at the Elderly Citizens Luncheon prior to the Annual General Meeting.

Peter Adamis as the President took it upon himself to shoulder the responsibilities and advised the Committee of Management accordingly.

Sam Mihelakos and Jim Batsakis did the right thing by advising the Committee of Management, while Chris Paikopoulos took it upon himself to write a formal letter instead of being seen as the Knight in shining armour. His letter was out of time according to the constitution.

Peter Adamis was looking forward to stepping down as President given that he was still recovering from Cancer

**THE MEETING**

The following minutes from the outgoing Committee of Management's meeting records the plans of a small group to hijack the Club, sabotage the 2016 election process and remove Life Members from the Club.

## THE TRUTH

## RENEGADE LIES

If the Constitution is to be the main source governing the Brotherhood then all Resolutions are null and void if they have not been submitted to Consumer Affairs within the prescribed period and according to the Act.

1. There will be no life memberships;
2. A \$20.00 Nomination fee will still be required; and
3. Nominations must be submitted 14 Days before election date.

4. In the case where the number of candidates nominated for the new Committee of Management is equal to the number of Committee of management members, the candidates shall be deemed to be the new Committee of Management without the need for elections to be called.

What the above means is that the committee of supervision when they opened the ballot box on Monday 14 October 2016 and found 16 nominations with one withdrawal, then they as a Committee of Supervision should have made known the results of the elections in the Hellenic Press and notifying them in writing to the President of the outgoing Committee of Management (Peter Adamis). The Committee of Supervision in their wisdom erred by destroying the legitimate nominations and thus were treacherous and fraudulent in their actions.

History will prove that Peter Adamis was correct in following the Constitution to the letter.

**14 SEP 2016**

**THE BOX**

Peter Adamis reminds his outgoing Committee of Management that he has set the closing date for nominations for elections to a date prior to the Club's AGM

## THE TRUTH

## RENEGADE LIES

The Committee of Management followed the guidelines of the Constitution to the letter and corrections made appropriately.

The Committee of supervision was elected as follows: George Fountas, Peter Kotsonis, Peter Athanasakis, Petros Gouvousis and Ismene Thiveos. Reserves George Panagiotakakos and Alexia Kanellakos.

George Fountas, Peter Kotsonis and Alexia Kanellakos withdraw their nominations. Jim Batsakis is elected to replace Alexia Kanellakos.

The Committee of Supervision is therefore made up of Peter Athanasakis, Petros Gouvousis, George Panagiotakakos, Ismene Thiveos and Jim Batsakis.

Monday 14 October 2016, George Fountas, Peter Kotsonis, Peter Athanasakis, Petros Gouvousis and Ismene Thiveos, George Panagiotakakos, Alexia Kanellakos and Chris Paikopoulos meet as a Committee of Supervision. When challenged they cite the Constitution.

The Committee of supervision accept one withdrawal from the nominations. They open the Ballot box and 16 nominations are found. All of the nominations are destroyed. WHY?

**22 SEP 2016**

**AGM NOTICE**

**NOTICE FOR THE PALLACONIAN 2016 ANNUAL GENERAL MEETING & ELECTIONS**

Thur 22nd Sep and Wed 5th Oct 2016 notices appear in NEOS KOSMOS and TA NEA for the Pallaconian's Annual General Meeting, set for Sunday 9th October 2016.

The year 2016 is an election year for a new Committee of Management. The TA NEA notice mentions the need to elect a "Committee of Supervision" for the elections, according to "Article 47" of the Club's rules.

## THE TRUTH

## RENEGADE LIES

Ill health dictated the future of Peter Adamis. There were no plans to remain on the new Committee of Management other than in a supporting role.

1. At the 2015 Annual general meeting Peter Adamis requested that members consider future Committee of Managements serve a term of three years instead of two. He asked for a moratorium of twelve months for members to consider the concept.

2. There were no plans to remove Life Members as it was a discussion point only amongst the Committee of Management. Peter Adamis was concerned about the validity of Life members

3. A membership Review meant to conduct an audit of who had passed away, who was financial, who was a Lakonian and eligible to vote and to identify the Life members. This was not something new as Chris Paikopoulos during his term as President created a Membership review team in 2012 comprising of Sam Mihelakos, Jim Batsakis and Peter Adamis. However this did not eventuate.

It is of interest to note that Chris Paikopoulos closed the Annual General Meeting early without allowing the three notices to be debated.

**THE PLANS**

Peter Adamis' plans: to remain in power for a third term, an "Amnesty" and the removal of Life Members

## THE TRUTH

## RENEGADE LIES

The letter was answered to by the President Peter Adamis after the Committee of Management Meeting and before the Annual General Meeting. All alleged concerns were answered in according to the Constitution, the Resolutions and past precedent set by Chris Paikopoulos.

Peter Adamis accepts all responsibilities, all errors of judgement and all decisions made by himself and by those of his Committee of Management in his absence when he was being treated for cancer.

Peter Adamis supported every member of his Committee of Management to the hilt and sponsored many of the projects and events using his personal finances.

A leader does not hide from his responsibilities nor run from the truth but will make decisions based on consultation with his team, his knowledge of the subject matter and his capacity to seek solutions.

Peter Adamis abhors treachery, disloyalty and those who undermine the interests of the Brotherhood. It is un-Australian.

**14 SEP 2016**

**THE LETTER**

Peter Adamis informed his outgoing Committee of Management that he had received a letter from the Club's former President. This letter raised concerns about the election process. He chooses "not to deal" with the concerns Mr Adamis again reassured his outgoing Committee of Management that he will be responsible for any "anomalies"

## THE TRUTH

## RENEGADE LIES

**ACCORDING TO THE CONSTITUTION, THERE ARE NO LIFE MEMBERS.**

Those who consider themselves Life Members, who have not paid for two years and/or have not paid for the current financial year are deemed not eligible to vote at any Annual General Meeting.

According to the Constitution, only Ordinary Financial Members are allowed to participate. **THEREFORE THE NOT ONE OF THE COMMITTEE OF SUPERVISION IS ILLEGAL AND/OR ELIGIBLE TO VOTE.**

The decisions made at the Annual General Meeting were not binding. The election of the Committee of Supervision were illegal. There was a total of 107 members who attended the Annual general meeting. **THERE WAS INSUFFICIENT NUMBERS FOR A QUORUM.** It is in the minutes. Peter Adamis the President advised Chris Paikopoulos that a **QUORUM DID NOT EXIST.**

Chris Paikopoulos failed miserably as the Annual General meeting President and failed to follow the Constitution, his own past precedents he set in 2010, 2012 and 2014. Then in 2016 he decides to change the rules to suit him and his group of renegades.

**CLUB'S RULES**

**FACTS #1**

**PALLACONIAN CONSTITUTION REGARDING NOMINATIONS AND ELECTIONS**

Article 36... "Every second Annual General Meeting a five (5) member Committee of Supervision shall be nominated consisting of ordinary members of the Brotherhood, which shall undertake to conduct elections to replace the previous Committee of Management."

Article 47... "application form ... lodged with the secretary of the Committee of Supervision"

The Club's rules only allows the "secretary of the Committee of Supervision" to accept election nominations, and only after the Club's AGM, not prior.

## THE TRUTH

## RENEGADE LIES

THERE WAS A TOTAL OF 107 MEMBERS WHO ATTENDED THE ANNUAL GENERAL MEETING.

LIFE MEMBERS WHO HAD NOT PAID THEIR ANNUAL SUBSCRIPTION WERE NOT ELIGIBLE TO VOTE.

THERE WAS INSUFFICIENT NUMBERS FOR A QUORUM.

PETER ADAMIS THE PRESIDENT ADVISED CHRIS PAIKOPOULOS THAT A QUORUM DID NOT EXIST.

172 MEMBERS WERE REQUIRED FOR A QUORUM.

THE COMMITTEE OF SUPERVISION BROKE THE LAW BY DESTROYING THE NOMINATIONS.

### AGM DAY

THE 2016 ANNUAL GENERAL MEETING WAS CONDUCTED ON SUNDAY 9 OCTOBER 2016.

107 members attended the Annual General Meeting.

The AGM appointed the 2016 election's Committee of Supervision: George Fountas, President, Ismene Thiveos, Secretary, Alexia Kanellakos, George Panagiotakakos and Peter Kotsonis.

The Committee of Supervision proceeded to organising an election by the Club's rules. They rejected previous nominations collected by Peter Adamis.

## THE TRUTH

## RENEGADE LIES

The Committee of Supervision ceased to exist the moment they opened up the Ballot box.

They had no right at all to destroy the nominations.

They had no right to place advertisements into Neos Kosmos. They tried to get Kon Glekas the Brotherhood to pay for the advertisements and failed.

### NOTICE FOR ELECTIONS OF THE PALLACONIAN BROTHERHOOD

Neos Kosmos Thursday, 13 October 2016. George Fountas, and the Committee of Supervision, published a notice in Neos Kosmos stating the date that the Pallaconian Brotherhood's election would be held on 13th Nov 2016. It states that the deadline for nominations is on October 30th, to the secretary of the Committee of Supervision Ismene Thiveos.

The Committee of Supervision made itself available to receive nominations on Sun 16th Oct 6pm-8pm, Tue 18th Oct 8am-1pm, Thu 20th Oct 6pm-8pm, Sun 23rd Oct 6pm-8pm, Tue 25th Oct 8am-1pm, Thu 27th Oct 6pm-8pm and on Sun 30th Oct 10am-6pm, at the Club's building in Brunswick.

## THE TRUTH

## RENEGADE LIES

George Fountas had no rights at all to enter the building, let alone request the President Kon Glekas on two occasions to open up the building.

George Fountas had been expelled for unbecoming a member of the Brotherhood and bringing it into disrepute.

The Brotherhood took additional security precautions to safeguard its interests.

#### NOMINATIONS OPEN, GATES LOCKED

On the first day of nominations for the elections of the Pallaconian Association, Mr George Fountas, the President of the Committee of Supervision, finds the gate of the Pallaconian building shut with locks and chains.

## THE TRUTH

## RENEGADE LIES

Peter Adamis as President followed the constitution once the Committee of supervision failed in its duties.

Peter Adamis as President had every right to place an advertisement in Neos Kosmos.

The Committee of Management was elected using copies of the originals certified by two members of the Committee of Supervision.

Two members of the Committee of Management admitted that they had erred in their interpretation of the constitution.

Peter Adamis as President was correct.

### ADAMIS AD IN NK

#### THE "COUP DE NEOS KOSMOS"

Out going President Peter Adamis declares a new Committee of Management in Neos Kosmos on Monday, 17 October 2016, while the Committee of Supervision was still receiving nominations for the Club's elections. The notice declares the "new committee of the Pallaconians". It names 14 people as the "new Committee of Management". The 15th position says "vacant".

The last line reads... "This announcement is authorised and paid for by Peter Adamis"

Peter Adamis, as the outgoing President had no authority under the Club's Constitution to make this announcement.

## THE TRUTH

## RENEGADE LIES

This has nothing to do with Peter Adamis. It is not his list. He has nothing to do with the Committee of Management.

All new members were invited to the Committee of Management once a member had requested they were unable to remain.

Changes occurred on different dates and on each occasion a meeting was conducted to welcome new members.

All meetings were followed by a record of the meeting and subsequently approved at the next meeting. All administrative procedures and practices followed in accordance with good governance.

#### RESIGNATIONS FROM THE ADAMIS LIST

After the NEOS KOSMOS ad by Peter Adamis, appointing Kon Glekas as President, "more than one third" of those named as his "new Committee of Management" resigned, or were expelled from the Pallaconians by the remaining Peter Adamis group.

Of the original 15 only 7 remain...

Kon Glekas  
Dimitra Roumeliotis  
George Spanos  
Stavroula Psarakis  
Sam Mihelakos  
Harry Spanos  
Perry Bakollis

No Extraordinary General Meeting was called to replace the resignations, as the Club's rules require of a proper constituted Committee.

## THE TRUTH

## RENEGADE LIES

An Extraordinary General Meeting is not required when changes occur at different times and not all at once. Changes to the Committee of Management occurred at different times and dates. New members welcomed and minuted accordingly.

If the website is owned and controlled by Peter Adamis, then why did Steve Axiotis, Chris Paikopoulos, Steve Tsaganas and Paul Sougleris ring the Host Provider to pull down the website? Therefore fore they broke the law, stealing intellectual property, plagiarising and mirroring another website using the same information.

It is like calling the kettle black.

#### ARTICLE 26

"When more than one third (1/3) of the Committee of Management members resign, the Committee of Management should convene an Extraordinary General Meeting to replace them."

A "PRESS RELEASE 43/206" appeared on leonidas.org.au web site, owned and controlled by Peter Adamis. The "press release" has since been deleted. No EGM has been announced by Kon Glekas or the remaining unlawful occupiers of the Pallaconian Building.

## THE TRUTH

## RENEGADE LIES

It is not Peter Adamis in the photograph with the security guards. The person who took the photograph is known to the Brotherhood and should be ashamed of himself. The individual in the photograph is the President Kon Glekas.

There was no sabotage because there were no elections. They are all in the minds of the Juvenile renegades.

The advertisement that appeared in the Neos Kosmos was not written by the Dance Group. It was paid for by Peter Thiveos by cheque and in cash.

Not all of the Dance Group are Lakonians to say otherwise is a lie.

### ELECTION DAY LOCK OUT

On Sunday the 13th of November, the Pallaconian building was locked up, to prevent the Committee of Supervision from conducting elections for the Brotherhood.

Peter Adamis' appointed "President" is photographed with Security guards by upset Pallaconian Brotherhood members.

## THE TRUTH

## RENEGADE LIES

The Committee of Supervision ceased to exist on Monday 10 October 2016.

The Committee of Supervision broke the law by destroying the original nominations.

There were no elections called for, nor were letters posted to members.

The members displayed on the opposite side are all Juvenile renegades.

They are not eligible to vote and/or have been expelled or considered persona non grata.

## ELECTION RESULTS

### NOTICE OF ELECTION RESULTS

The Pallaconian's AGM on October 9th appointed from its members a Committee of Supervision to oversee the 2016 elections. The Committee of Supervision published in Neos Kosmos the names of those who had become the Club's new committee, based on the nominations they had received. Some of those nominees included people who appeared in the Adamis ad in NK on 17th Oct.

As much as I would like to continue writing about the myths that the renegades have built up around themselves, only the naïve and gullible will be ready to believe them. What a waste of time talent, resources and a waste of space. Whatever the outcome, one thing can be sure. Not everyone will be happy. It is a great pity that individuals cannot see the woods for the trees and put aside their petty differences and look toward a harmonious and peaceful resolution without the thorns that sometimes seem to come with solutions. Remember life is no bed of roses.

As always, apologies to purists for my poor grammar and savagery of the English language. I wish you all well and hope that this article does not cause ambiguity in the minds of those who read it.
