

## MALCOLM OR POLITICAL MULTIPLE ORGAN FAILURE

Abalinx 21 November 2017 Peter Adamis

I wrote some time ago that MT will implode and that those pillars holding him up will no longer be able to carry the burden any longer. My bet is JB and KA to take on the reigns of leadership.

However much can happen before the next election and who knows, maybe even an attempt by SM and PD is made to take the reins of power. Whatever the case maybe, strong pillars are useless when they are shouldering a corpse.

The Australian nation is not crying but now screaming for leadership. A leadership that will heal an already divided nation. A nation that has been fooled by the poorly constructed and distributed SSM Survey. A survey that has alienated and divided the nation.

The recent decision to cancel parliament until December is but a ploy to strengthen MT from decomposing further. Severing the head and replacing will give the remainder of the Government sufficient time to provide a respite so that political campaigners can replace the corpse with one that has not died politically.

The nation has woken up to realise that it has been made a fool of and that there are far more urgent and pressing matters to be debated in parliament. In fact there are 76 outstanding bills to be discussed and need to be over and done with. Pandering to the SSM newly introduced bill is a joke and a mockery of our system.

The SSM euphoria is over because as I stated earlier in other posts the SSM was flawed and lacked the legal and appropriate controls. It is time MT ate humble pie and stepped down to be buried quietly in order that the rest is allowed to live. This Prime Minister has been the worst leader this nation has ever had and has fooled the people far too long with his bullshit rhetoric.

**YOU CAN FOOL THE PEOPLE SOME OF THE TIME BUT YOU CANNOT FOOL THE PEOPLE ALL OF THE TIME. MT PLEASE STEP ASIDE AND ALLOW THE NATION TO MOVE FORWARD WITH CONFIDENCE. YOU ARE NO LONGER RELEVANT.**
