

## A Letter to the Bride and Groom

Dear Nick and Monique

Such a beautiful wedding and dare I say so appropriate for a lovely bride and her very alert husband. It was a very moving and impressive ceremony during which I could not help but reflect on life as I studied youth as represented by you, your bridal party, ushers, singers and readers and other young men and women who witnessed such an occasion. .

It was indeed a powerful message that Australia's future will be in good hands. It does of course do great credit to your parents and their devotion during your early years.

Wishing you good fortune simply reinforces what wonderful qualities of life you have already mastered, not forgetting such evident love you have for each other.

It did an old soldier's heart good to see Australia of tomorrow at its best and thus the verse below hopefully as a compliment to both of you.

Where ever you travel and whatever you do, my thoughts will always be with you

Lots of love ----George
